

Technical Data

Part number configuration information below to help you place your cylinder order;

30	10	EH	PB	M6
----	----	----	----	----

Digit 1: dimension A (see drawing below)

Digit 2: dimension B (see drawing below)

Digit 3: cylinder type

Euro half = EH

Digit 4: cylinder finish

Polished brass = PB
Polished chrome = PC

Digit 5: number of pins

Mila 6 pin security = M6

Box Qty: 25

Technical Drawing

Pro-Linea 6 Pin Half Cylinder

Pro-Linea cylinders from Mila provide security and proven reliability as standard. A comprehensive range of types, sizes and finishes are available for all applications:

- Over 100,000 effective differs
