Slider	Steel acc. En 10149/zinc plated
Tumbler	Zinc diecasting acc. 1743-2/nickel plated En 12540
Tumbler Spring	Steel acc. DIN 2076-D
Box Quantity	5

## AS 7070 2 Roller

The AS 7070 is a multipoint lock for use on residential doors where only a basic level of security is required, or as the master door lock on a pair of french doors.

The lock itself is a lever operated multipoint lock featuring 2 roller cams, a reversible latch and an anti-saw deadbolt as standard.

- Suits standard 92mm Pz handles
- Lever/Lever operation
- Various backset options available
- Option of adding shootbolts top and bottom for enhanced security residential or french doors
- Full french door suite available within the range, including slave door lock with adjustable striker
