AS 7370 2 Pin

The AS 7370 is a multipoint lock designed primarily for use on residential doors or as the master door lock on a pair of french doors.

The lock itself is a lever operated multipoint lock featuring 2 hardened pins, a reversible latch and an anti-saw deadbolt as standard.

- Pins throw 20mm
- Suits standard 92mm Pz handles
- Lever/Lever operation
- Various backset options available
- Option of adding shootbolts top and bottom for enhanced security residential or french doors
- Full french door suite available within the range, including slave door lock with adjustable striker
