

Technical Drawing

Large Finger Operated Shootbolt

Large finger operated shootbolt for use on the slave leaf of a pair of french windows or doors.

Features:

- 11mm diameter shootbolt.
- Shootbolt throw is adjustable between 12-16mm.
- Rotational lever requires only minimal operating forces.
- For further security an enhanced shootbolt is available with a longer shootbolt and a security plate/return which provides two further screw fixings
