Trinity TBT Handle

Stylish key-locking handle that can be used on both TBT and TNT applications. The handle has been designed to suite with other items of the Mila Trinity range of window and door furniture.

- Lockable in all positions to enhance window safety and security
- Operates as a standard TBT handle but by moving the rose through 180° will operate as a TNT handle reducing costs and stock requirements
- Positive handle engagement in all positions
- Handle rose is equipped with studs for improved location
- Supplied with 2 screw cover caps
- Manufactured in zinc diecast to BS 1004A
- 7 x 7 x 38mm spindle to suit all major profiles
- Available in a range of attractive finishes
