SupaStyle™ Fire Rated

Stainless Steel Letterplate

30 minute fire-rated   **60** minute fire-rated

PRODUCT INFORMATION

Mila's Supa™Style Stainless fire-rated letterplate is both FD 30 and FD60 compliant for up to 60 minutes resistance to fire.

- Supa™ stainless steel coloured flap with matt black powder coated frame
- Manufactured with stainless steel grade 304 flap and zinc alloy frame
- An intumescent liner provides in excess of 60 minutes fire resistence
- Concealed flap operating mechanism - patented design
- Internal and external thumb access for ease of use
- Both external and internal flaps open to 180° when fully open without over stressing
- Smart frame design prevents abrasive action against the flap during operation
- Suitable for door thicknesses 40mm - 80mm

- Tested to BS 476: Pt 20 & 22: 1987
- Independently fire tested at Trada to FD60, achieving a 60 minute rating
- Independently tested to 50,000 cycles for operational reliability
- Independently salt spray tested to 1000 hours for corrosion resistance
- Available in 3 colours which suite perfectly with Mila's Supa™ stainless steel door furniture range

CAUTION Letterplate MUST be fitted with intumescent liner provided and positioned in door as per fitting instructions also provided to comply with fire regulations
