

Keeping **you** COVID Secure.

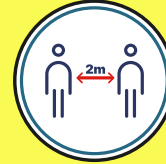

We've risk assessed the business and implemented some controls, so here is everything you need to know to ensure your return runs smoothly.

WEAR a mask when not at your work station

WASH your hands regularly

MAINTAIN social distance at all times

Building Bubbles

Mila is sectioned into 3 protective bubbles.

Each bubble has a designated COVID champion in the form of Joe for the warehouse, Barbara for the offices and Danny for the Test Centre

Please stay within your bubble at all times.

Joe

07801 456 693
jmontague@mila.co.uk

Barbara

07917 530 283

Keeping up-to-date

We have added a page to our website to keep you informed of all the latest info:

mila.co.uk/covid

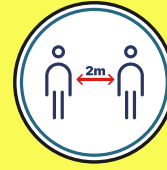

Keeping **you** COVID Secure.

WEAR a mask when not at your work station

WASH your hands regularly

MAINTAIN social distance at all times

Remember...

To minimise the risk of spreading the virus, please make sure you bring your **water bottle**, a **flask** if you want a hot drink and a **packed lunch**.

Most importantly, don't forget your swipe card to get into the building!

Independent audit

Mila recently had an unannounced HSE (Health and Safety Executive) COVID compliance visit...

“The HSE were very impressed with the comprehensive risk assessment and safety measures which have been put in place at Mila including increased signage, enhanced cleaning, steps to maintain distance, encouraging staff to wear masks, limiting people on-site & creating protective bubbles.

They had no further recommendations to make.”

Joe Montague
Health & Safety Manager
